

VFD Training!

Dates

Who: ALL Customers—
contractors, building owners, specifying
engineers, etc...

What: Begin with a crash course in VFD fundamentals. Halfway through we will break and begin some real hands on experience touching drives, menu navigation, parameter adjustment, and we will even try to break some drives!

For those who are already familiar with VFDs, we invite you to attend one of our Certified Start Up classes!

Cost for the Start Up training is \$300 per person.
Familiarization Classes are **FREE!**
